RELEVANT EXPERIENCE

EDINBURGH NAPIER UNIVERSITY

09/2023 - 11/2023

Student Demonstrator

User-Centered Research Methods

Supporting practical sessions and providing guidance to students, while collaborating with lecturers to foster an interactive learning environment

FAST FORWARD

Professional Internship - Web Design and Development

06/2023 – 08/2023

I successfully completed a professional internship where I played a key role in redesigning the company's website. I crafted effective usability testing strategies, pitched proposals, and created high-fidelity prototypes using Figma. Additionally, I contributed to the website development using WordPress.

STORY VALLEY

Design Project ERASMUS+

04/2022 – 06/2022

I participated in an ERASMUS+ project where I spent time in Slovenia collaborating with international students. I actively engaged in a design sprint, contributing to the creation of mockups and high-fidelity prototypes using Figma.

OTHER EXPERIENCE

EDINBURGH LEISURE

Receptionist

12/2016 - Present

At Edinburgh Leisure, I demonstrated adaptability and a methodical work approach by managing diverse responsibilities and roles when needed. I efficiently utilised internal software, collaborated within both the venue and office teams, and effectively addressed customer needs.

CYRENIANS, EDINBURGH

Peer Mentor

12/2015 - 10/2016

Volunteering as a Peer Mentor at Cyrenians, allowed me to develop skills in communication and organization by working with a group of young adults and managing project finances through excel spreadsheets.

REGINA DOOR DESIGN BG

Administrative Assistant

01/2013 - 01/2015

As an Administrative Assistant I gained skills in handling paperwork, Scheduling and Data Entry. I also learned how to coordinate and organise workflow in an office setting.
